

Installing and Using the ParentsPlus app on your Phone To Access School Directory, Student Grades and Schedules

The ParentsPlus app provides mobile access to all student information available through Plus Portals including a student's schedule, grades, and assignments as well as the school directory and policies and handbooks. The app is compatible with iOS and Android smartphones. If you have any questions or issues installing it, email Sherry Mischler at smischler@gmahs.org.

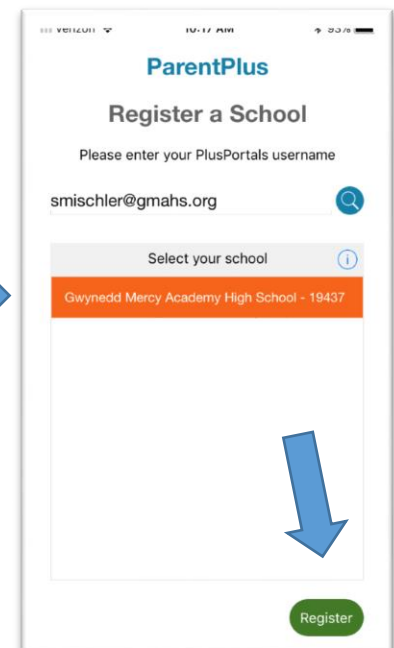

1. Open your app store and install the ParentsPlus app.

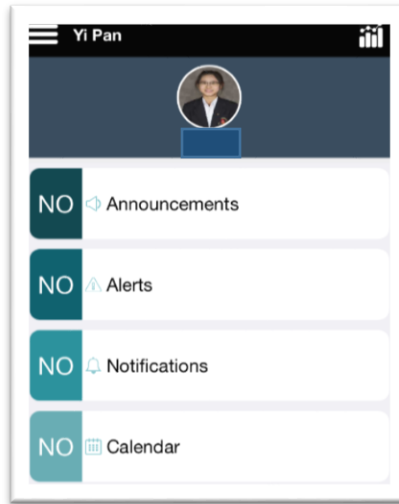

2. Once the app opens, enter your email address and click the magnifying glass icon. 

3. Select **Gwynedd Mercy Academy High School** and click **Register**. You will be prompted for your password and will then be connected to your daughter's information.

4. You will now see the home screen for ParentsPlus. To access information not displayed on the home screen, click the menu icon. 

5. You can now access your daughter's information. The faculty, student and parent directory is also available here.
