

DISMISSAL /PICK UP PROCEDURE

(revised 8-13-18)

To ensure the safety of our students, parents will enter the schoolyard through the Napoleon Avenue entrance and form three (3) lines. The line on the left of the diagram is for elementary. The line in the middle is for elementary until 3:10, at which time high school parents may enter that line. The line on the right of the diagram is for high school parents. The lead car in each line will load first and then leave the yard, allowing the next car to move forward and pick up a student. Walkers dismiss through the pedestrian gate on Napoleon Avenue. Gates will open at 2:45 p.m.
