TRYOUT INFORMATION

No student is allowed to try out for two Holy Trinity sponsored cut sports in the same season. This is to avoid having a conflict when coaches of both teams are expecting your commitment. However, a student can participate in a non-cut sport in the event that they do not make the cut of a team. It would be the Coach's decision of the non-cut sport to accept additional participants if the participation numbers remain manageable. The tryout process can be an unsettling situation for students, parents and coaches since this can be the first experience of rejection while transitioning from a recreational environment. Tryouts are necessary to field a competitive team from a large number of participants. Holy Trinity has an estimated 450 students participating in 27 sports programs yearly. Any questions regarding team selection shall be respectfully directed to the Coach

FUNDRAISING OPPORTUNITIES

Businesses supporting Holy Trinity Athletics! Order and display your banner today!

Holy Trinity Athletics is an independently run program operated by our Athletic Association funded entirely through participation fees and fundraising events. The purpose is to support the coaches, student athletes, and each individual sport. In addition to supporting team needs, the HTAA is also responsible for:

- Off Campus Facility Rental
- 100% Field Maintenance
- League Dues
- Officials and Booking agent fees
- EMT and Athletic Training game/practice coverage
- Coaching gear and reimbursement
- Coaching clinics
- Team uniforms and equipment

As such, HTAA is looking for community partners to help support our programs. HTAA will provide the opportunity for corporate sponsorship and marketing. To maximize visibility, 72"x 48" banners will be prominently hung along the fence line adjacent to the main access driveway.
