

## ParentPlus App

Do you like to check your student's Plus Portals account on your phone? Rediker has an app designed specifically for mobile phones. This app will give you secure, mobile access to your child's grades, scores, and homework. There is both an Apple version and an Android version of the app so check the appropriate app store on your phone to download. When first installing the app, you will be asked to enter your PlusPortals username. Once entered, you can select "Incarnation School – 45459" and that is all that is needed to install the app.
