

Parent Guide to Plus Portals

This presentation presents a couple of basic areas all parents are interested in. If you have other questions, please call Mr. Kavanah at 600-6172 or email him at kkavanah@ionaprep.org

Important Note: parents and students have separate accounts. They may look similar, but they are different. Students and parents should **not** use each other's accounts.

The screen shots in this presentation had to be much reduced in size. When you log in to Plus Portals, you will see bigger text and graphics. For this presentation, please zoom in to make text larger.

When you log in, you will land on a screen with your student's photo and your name.

It contains one file entry: "AP lit syllabus" with the file name "AP English Lit Syllabus updated for 2018...". A yellow callout box with a blue arrow pointing to the dropdown menu contains the text: "This area may contain important files that teachers want students to have. **Note again that there is a drop down menu.** There may be multiple folders." Below the table is a pagination control showing 5 files per page.

You can always click "Home" to return to the original log in screen.
