

**Let's Celebrate the Altavesta School's
Cultural Diversity!**

The Altavesta PTO would like to invite you to our first ever Multicultural Celebration on the evening of March 29, 2019. But...in order to make this a true celebration of our school's diversity we need your help!

We would like to invite Altavesta families to share something about your country or heritage. It could be food, artwork or crafts, traditions, toys/games, photos, your language or anything else. We will have tables for families to use, you decide what you would like to share! Want to participate but not sure where to start? Team up with other families who share your culture and traditions to create a display and share.

We want to make this a night with entertainment, food, artwork and traditions from around the world. Do you or your child dance, play an instrument or sing, practice martial arts or any other type of performance? Please let us know and we may be able to feature it as part of the event. Do you practice a craft or artwork (such as origami or calligraphy) that you would be willing to teach to participants? Please let us know!

We come from many places but we are one Altavesta family.

Let's celebrate each other!

Please return the bottom of this form by February 22nd and let us know you are interested in participating. If you have questions please reach out to us at altavestapto@gmail.com
