

**OUR LADY OF DIVINE PROVIDENCE SCHOOL**

**PANTHER PAUSE... January 4, 2018**

Dear Parents,

We wish you and your families a very Happy New Year! We are now preparing for the second half of the school year, and are in the process of making a few changes for the second semester. First of all, you may be having difficulties with our website. Do not worry, we are making changes to the site, and we feel that you will be pleasantly surprised with the new direction. At this time we will have a cover page with some important information posted as needed. The entire site is being revamped, and will be at your fingertips shortly.

Our school calendar and vital info will be available through the site or through email temporarily. We will make sure to keep you informed. If you need anything not supplied, please email us or call the school office.

Today, we met with the students to encourage them to get started on the right foot this third quarter. In our Intermediate Grades we discussed our responsibility for our work, courtesy towards our teachers and classmates. The teachers reviewed class rules and procedures throughout the day to reinforce order needed in the classroom to achieve success. In Middle School we reviewed tweaking our behavior/discipline system and our Activity Period policies as well as the need for respect for self, and others at all times.

More information will be sent to you shortly explaining our new registration, and tuition information for next year. Returning registration begins January 22, and new student registration begins on February 5<sup>th</sup>. We will have an application process this year for early applicants. Please be on the lookout for this material

Once again, thank you for your support and confidence in OLDP.

Sincerely,  
Elvina DiBartolo  
*Mrs. Di*
