News From The Principal

Dear Families,

*Saint Agnes School
embraces and educates students
in a Catholic community
empowering them to lead
faith-based lives.*

Dear Saint Agnes Families,

Today, we wind down another busy week at Saint Agnes School. Last Friday, students learned about St. Paul of the Cross, founder of the Passionists. In Ms. Dant's Art classes, students explored art, math, and design concepts with Froebel Blocks that she rented for the week. Our fourth graders went to Frankfort and learned about Kentucky history and about the state government process. Our 7th and 8th grade students had the opportunity to serve as ambassadors to help lead tours of our school during our annual Open House for prospective parents. Many of our 5th - 8th grade students auditioned for the fall play. Our scout troops continue to gather. Basketball tryouts are happening. Our 6th, 7th and 8th grade Quick Recall teams competed in tournament play as well as our girls' volleyball teams. Our 5th - 8th grade Robotics' teams are building, coding and programming robots, our Archery shooters are practicing, as well as our vocal choirs, hand bell choir, Math Counts team, Chess Club, and now our Governor's Cup academic team is formed....

The opportunities afforded our students are many, but students can't and shouldn't do everything. As you schedule your child's time, be mindful of what it feels like from their perspective, remembering that they are children who are still growing, developing and changing, and will be until they are in their early twenties. Schedule their time intentionally and carefully, allowing for quiet downtime, restful sleep, family meals together with meaningful and loving conversations. Make sure they unplug, disconnect, and can just be. If at anytime you need a supportive partner in this, please reach out to us and we can connect you with helpful and appropriate resources.

Sincerely,
Ms. Julie Daly
Principal, Saint Agnes School
