

Athletic Program Overview

St. Andrew offers interscholastic sports for students in grades 5 – 8 and competes in the Suncoast Junior High League consisting of St. Francis, St. Michael, and St. Andrew Schools. We offer girls volleyball and boys soccer in the Fall, boys and girls basketball in the winter, and girls soccer and boys flag football in the spring for grades 6-8.

1. Students must try out for the teams and selection is based on skill, effort, interest, and behavior.
2. It is expected of students to attend all practices and games unless excused or absent from school that day. Not attending practice without notice will result in loss of playing time for student.
3. Students must demonstrate good conduct in class to be eligible. Academics must also be maintained - no more than one “D” and no failing grades are permitted on progress reports and quarter grades.
4. All student-athletes are required to have a physical exam for eligibility to participate on any school team. This exam counts for the entire school year. All exam forms must be on file with the athletic department before being declared eligible to play in games. **The standard health exam form from your doctor’s office is acceptable.**
5. An annual \$50.00 family athletic fee is required to be submitted before students receive uniforms. Corporate and higher level sponsorships are available as well to support the athletic program.
6. Uniforms are provided to each student – it is the responsibility of each family to return the uniform and the end of each season in the same quality as issued. Any damages are the responsibility of the family and will be charged appropriately for replacement.
7. It is the responsibility of the parents to arrange rides to games. Coaches and school employees are forbidden by the diocese to transport children other than their own. All parents who are willing to volunteer to drive students to and from games are required to be cleared by the diocese. Requirements include having a completed volunteer form, fingerprint/background check, and copy of your current driver’s license and insurance policy on file with the front office. **Those not cleared by the diocese are only allowed to transport their own children.**

I will be happy to answer any questions regarding the teams and program. Thank You and GO STARS!

Mr. Scott Jones
Athletic Director
