School Uniforms - Career Apparel Custom Embroidery & Clothing Decoration

Some parents don't order early because they are concerned that their student will change sizes before school starts. It is important to realize that sizes can be exchanged if necessary. It is actually easier to exchange sizes than it is to pack up a new order. In fact, it is about 5 times quicker. But more importantly, while both parents get accurate sizes, the parent who ordered early paid less.

Please help us by encouraging your parents to order early. Their layaway order locks in the 20% discount and sizes can be adjusted if necessary during the delivery process. There is also no penalty for cancellations.
