## **St. Patrick Cathedral School**

St. Patrick Cathedral School is a pre-Kindergarten through Grade 8 Catholic Elementary and Middle School under the Diocese of Norwich Schools Office.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is cared for and respected by his/her peers as well as the teacher and administration. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At St. Patrick's, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of Connecticut guidelines are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept.

### **Mission Statement of St. Patrick Cathedral School**

St. Patrick Cathedral School community is dedicated to providing students with a Christ-centered education that encompasses a challenging academic program with a strong moral foundation based on Gospel values. We are committed to providing our students with the skills necessary to be life-long learners while respecting their spiritual, intellectual and emotional differences.

### **Philosophy**

St. Patrick Cathedral School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Norwich.

1. To develop the total Christian personality by instilling in the students a respect for life and reverence for Christian living.
2. To develop within the school a strong religious education program based on Catholic Theology, Scripture, Liturgical experience, and service

[Return to Table of Contents](#)

- so that each child will grow and develop in the Christian way of life.
3. To facilitate the intellectual, social, and physical development of each child through a variety of instructional methods and other tools for basic knowledge and formation.
  4. To aid students in evaluation of their own capabilities and vocational possibilities.

It is the consensus of the faculty that every human being has a right to pursue knowledge corresponding with his/her dignity and God-given ability, regardless of background or sex. In the early years, education is often of the utmost importance because through education and guidance the children of today become the Catholic citizens of tomorrow.

## Absence

**When a student is absent from school, a parent should call the office by 8:00 AM each day of the absence.**

**Students *must* be fever free for 24 hours before returning to school.**

Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.

A written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. These notes/letters will be retained in the office for one year. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. If a student is absent, it is the student's responsibility to determine what assignments they may have missed.

Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments to be brought to the office. Homework assignments may be picked up at the school office

[Return to Table of Contents](#)

between 2:30 PM – 3:30 PM.

For short absences, students should make arrangement with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation. (See also *Homework due to vacations/planned absences.*)**

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date. **Excessive absence (20) days or the equivalent of 20 days including tardies**, can be cause for a student to be retained in the current grade for another year.

Current truancy law defines a “truant” as a child between the ages of five and 18 who is enrolled in a public or private school and has four unexcused school absences in a month or 10 in any school year.

### ***Absence During the School Day***

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child in the office. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment for 3 ½ hours or more will be counted as absent for ½ a day. Three (3) early withdrawals each of which are less than 3 ½ hours are considered a one-half day absence. Students who are tardy or early released more than 15 times will be charged an administrative fee of \$10 per tardy or early withdrawal due to the paperwork involved.

Parents should not regularly pick students up just before dismissal, this disrupts end of the day instruction in the classroom. These early withdrawals will count towards the tardy/early withdrawal fees.

### ***Academic Information***

## **Facebook® and other Social Media Postings of Student Photographs**

St. Patrick Cathedral School works to protect the confidentiality rights of all students. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect personally identifiable information of minors. St. Patrick Cathedral School adheres to these laws in its attempt to protect the privacy rights of all students. As a result, the parents of students enrolled at St. Patrick's are forbidden from posting photographs taken at school sponsored events that include the images of students other than their own on their personal Facebook® page. Such postings are a violation of the St. Patrick Cathedral School's adherence to FERPA and the Child Protection Act. The students of parents who post such photos may be separated from St. Patrick Cathedral School. The school only uses photos on the school Facebook page of students whose parents have given permission and we never use names.

### **Buckley Amendment**

St. Patrick Cathedral School adheres to the Buckley Amendment (Family Education Rights and Privacy Act) in regard to privacy of student records and the rights of noncustodial parents. It is the responsibility of the parents to share any official custodial information decided through the courts. Official custodial agreements will be kept in a confidential file in the office of the principal. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child's academic progress or lack thereof. The school reserves the right to charge a shipping and processing fee for extra records sent to more than one home address.

Be advised that if a teacher is subpoenaed to testify in a child custody case, the parent will need to pay the cost of a substitute teacher and any other costs associated with the testimony (mileage, parking, food, etc.).

### **Bullying and Cyberbullying**

[Return to Table of Contents](#)

St. Patrick Cathedral School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously or in jest or online**) face detention, suspension, and/or expulsion.

### **Cell Phones**

If a student needs a cell phone after school due to walking home from school, entering a house where no one is home, or attending sport practices or games, parents will need to send a note into the principal requesting permission. The student will bring the cell phone to the office upon arrival in the morning to park the cell phone in the off position for the day. The cell phone may be picked up by the student at dismissal. At no time during the day should a cell phone be in a student's locker or in his/her possession. **Items taken away from students will be returned to the parent(s)/guardian(s) on the last day of the school year.** The administration reserves the right to search the contents of a confiscated cell phone.

**Texting:** Students should at no time be involved in texting during the course of the school day or while waiting to be picked up after extra help. Students involved in texting at school face detention, suspension and/or expulsion, as well as the device being taken and held **until the last day of school.**

### **Cheating**

Cheating of any type will not be tolerated. Students who choose to cheat face a failing grade, detention, suspension, and/or expulsion. Cheating includes cheating off of another student as well as plagiarizing. A student athlete or student involved in extracurricular activities who is involved in cheating will also be unable to participate in sports/extracurricular competition.

### **Child Abuse Laws**

St. Patrick Cathedral School abides by the Child Abuse laws of the State of Connecticut. This law mandates that all cases of **suspected** abuse and/or neglect be

[Return to Table of Contents](#)

reported to Child Protective Services.

## **Conduct**

In accordance with the stated philosophy of the school, which emphasizes deep respect for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. This requires courtesy in all personal relationships, promptness in fulfilling obligations, concern for the environment, and many other factors which the students' sense of appropriateness will indicate to them.

The Principal or Assistant Principal reserves the right to determine the appropriateness of an action if any doubt arises.

Items such as, but not limited to, e-cigarettes, questionable books and pictures, White-out®, Sharpie® markers, knives, guns, matches, cigarettes, toys, trading cards, laser lights, CDs, cameras, or anything that will detract from a learning situation are not allowed at school at any time. **Key chains and toys may not be attached to student backpacks.**

The school administration, in accordance with state laws, will determine the appropriate disciplinary measures to be taken concerning the presence of these items in the school. **Items taken away from students will be returned to the parent(s)/guardian(s) on the last day of the school year.**

## **Crisis Plan**

St. Patrick Cathedral School has implemented a “crisis plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your child/children safe.

## **Discipline**

[Return to Table of Contents](#)

## ***Detention***

Detention may be issued for a breach of classroom and/or school rules. Parents are provided with a Detention Form with written notification of the detention. The day, date, and time of the detention are at the discretion of the Principal, and non-negotiable. **Detention takes precedence over appointments, practices, lessons, tutoring, ball games, etc.**

## ***Suspension***

Students who are given an in-school suspension will be required to report to school each day and work with a substitute teacher paid for (\$75.00) by the suspended student's parents. Students who receive an out-of-school suspension will not be allowed on school grounds during the time of their suspension. Students must complete all classwork and tests from the days of suspension.

## ***Expulsion***

Expulsion is an extremely serious matter. Students who pose a threat to themselves or to others may be expelled from St. Patrick Cathedral School. Students who have been expelled will not be allowed to return to the school.

Students whose parents have violated the Parents as Partners agreement in this handbook may also be excluded from St. Patrick Cathedral School.

## ***Drugs and Alcohol***

Students who possess drugs and/or alcohol at school or at any school function face suspension and/or expulsion.

## ***Emergency Drills***

State Law requires that **fire drills** be held monthly. During the fire drills, students should follow these regulations:

[Return to Table of Contents](#)

1. Rise in silence when the alarm sounds;
2. Walk to the assigned place briskly, in single file at all times, and in silence;
3. Return to building when signal is given.

**Lock Down Drills** are held periodically. The procedures are:

1. Rise in silence when the alarm sounds;
2. Walk briskly to the assigned place;
3. Sit in silence where teacher has instructed

### **Field Trips**

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. Field trips are re-evaluated each year to determine the compatibility of the field trip with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.
6. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
9. A sample of the field trip permission slip is printed at the end of this book. If your child fails to bring his/her permission slip home, you may tear out and use or copy the form provided. If field trip is out of state a different permission slip form may be provided. Call the school for information needed to complete the form. **Note:** a fax does not take the place of an original signature.
10. A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.

[Return to Table of Contents](#)

11. Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and will be marked absent for the day.
12. Students who are participating in the field trip must ride the bus to and from the field trip with their class. Students not on the bus may not participate in the field trip and will be counted absent for the day.
13. All monies collected for the field trip are **non-refundable**.
14. **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
15. Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip.
16. Parents who chaperone a field trip may not bring preschool or school-age siblings on the field trip.

### **Gifts / Invitations**

Students should not exchange individual gifts at school. This gesture only creates hurt feelings among other students.

Invitations for slumber parties or birthday parties should be sent to the homes of students via the U.S. Mail unless an invitation is being given to every student in the entire grade.

### **Gum**

Students should not chew gum any time at school. This includes before school, during school, and after school. Disciplinary action will occur for students who are chewing gum at school.

### **Harassment**

Harassment of any type is not tolerated. The Principal investigates all complaints of harassment. Students involved in harassing behavior face detention,

[Return to Table of Contents](#)

suspension, and/or expulsion.

### **Home-School Communication**

In order to insure that all communication from school reaches home in a timely manner, St. Patrick Cathedral School uses a Wednesday folder system. Official envelopes containing all correspondence are sent home on Wednesday and should be returned the following school day. Your child is responsible for emptying the contents of his/her envelope when it is returned to their homeroom. There is a \$2.00 replacement charge for envelopes that are lost. Information is not sent home if the Wednesday folder has not been returned. Official school-wide emergency communications are sent using the Notify Plus® phone system.

### **Grading Scale**

<b><i>A</i></b>	<b><i>= 89.5 – 100</i></b>
<b><i>B</i></b>	<b><i>= 79.5 – 89</i></b>
<b><i>C</i></b>	<b><i>= 69.5 – 79</i></b>
<b><i>D</i></b>	<b><i>= 64.5 – 69</i></b>
<b><i>F</i></b>	<b><i>= 64 or below</i></b>

### **Homework**

Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. A good range would be 10 minutes for each Grade. For example, students in Grade 1 would have approximately 10 minutes of homework; Grade 3 – 30 minutes, etc. If a problem arises, the teacher should be contacted.

### **Homework Policy Due to Illness**

[Return to Table of Contents](#)

When a student is **absent for three or more days**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 2:30 PM – 3:30 PM.

For **short absences**, students should make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school. Parents and students are encouraged to check PlusPortals for missing assignments.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

### **Late Work/Missing Assignments**

In grades 4-8, late work will only be accepted up to 3 days after the assignment was due; **after the third day a zero will remain the grade for that assignment**. Each day the assignment is late a 10 point penalty will be given on the grade. Teachers will enter the grade of zero in the online gradebook on the day the assignment was due if it is not turned in. It is the student's responsibility to turn the missing assignment into the teacher. Parents are encouraged to check Plus Portals regularly to see if their child has missing assignments.

### **COMPLAINTS CONCERNING SCHOOL PERSONNEL**

Complaints involving individual school staff members should be discussed first directly with the staff member concerned. If this does not bring about a satisfactory resolution, the matter should then be referred to the school Principal for study and possible resolution. If this does not settle the matter, it should then be brought to the Pastor for consideration. The Superintendent of Schools will intervene in the matter only if the complaint cannot be satisfactorily resolved at the local level.

### **Immunizations**

All students enrolled in St. Patrick Cathedral School must have current immunizations. The only exemption to the policy is in the event that a student has an illness that would compromise his/her life by being immunized. Documentation of a compromising condition, such as, but not limited to, leukemia must be presented

prior to the first day of the school year.

## **Medication**

## **Allergy Policy**

St. Patrick Cathedral School recognizes that an allergy is an important condition affecting many school children and positively welcomes all pupils with allergies.

This school encourages children with allergies to achieve their potential in all aspects of school life by having a clear policy that is understood by school staff and pupils. Teachers and new staff are also made aware of the policy. All staff who come into contact with children with allergies are provided with training on allergies from the school nurse who has had specialized training. Training is updated as needed.

### **1. The School Environment**

The school does all that it can to ensure the school environment is favorable to children with asthma or allergies. As much as possible, the school does not use chemicals in science and art lessons that are potential triggers for children with asthma.

### **2. Food Allergy Policy**

St. Patrick Cathedral School recognizes that life threatening food allergies are an important condition affecting many school children and positively welcomes all

pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, St. Patrick Cathedral School will maintain an Emergency Action Plan for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life threatening allergy.

### **3. Classrooms**

Teachers must be familiar with the Emergency Action Plan of students in their classes and respond to emergencies as per the emergency protocol documented in the Emergency Action Plan.

In the event of a suspected allergic reaction (where there is no known allergic history), the school nurse will be called and the school's Emergency Response Plan activated. The emergency medical services will be called immediately.

Information will be kept about students' food allergies in the classroom and in the substitute emergency folder, accessible by teachers, substitutes or other responsible adults.

All teachers and substitutes will be educated about the risk of food allergies.

A parent or guardian of a student with food allergies is responsible for providing all food for his/her own child.

Tables will be washed with soap and water following any food related events held in the classroom.

Proper hand cleaning techniques will be taught and encouraged before and after the handling/consumption of food.

### **Physicals**

Students entering Pre-K, Kindergarten and grade 7 must turn in a physical form showing proof of immunizations to the nurse *prior* to the first day of school. 2. A fine of \$0.05 per day will be assessed for late books. Books damaged or lost must be paid for by the student before any other materials may be checked out. Students who have lost or damaged books do not receive progress reports or report cards until their account is cleared.

### **Lockers**

Each student is assigned a locker or cubby in which to store clothing and textbooks. In order to maintain a quiet atmosphere for class, students are allowed to go to their lockers only at specified times. The school reserves the right to inspect lockers at any time. Lockers may not be decorated inside or out. Student schedules and pencil holders facilitate learning and may be posted on the interior of a student's locker door.

### **Lost and Found**

### **Office Records**

Parents/Guardians are requested to notify the School Office in writing of any change of address, custody, home telephone numbers, cell phone numbers, business phone numbers, email addresses and/or phone numbers of emergency contacts. Visitors may be asked to show identification in the form of a driver’s license or other government issued identification.

### **Parents' Role in Education**

We, at St. Patrick Cathedral School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the

[Return to Table of Contents](#)

primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of St. Patrick Cathedral School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life. As a parent we rely on you to ensure that your child takes responsibility for his/her actions in the classroom and toward others. Enabling your child will only develop his/her inability to deal with adversity or problems as they arise. With your help we can create a foundation of skills necessary for students to pursue their education with confidence and the ability to face challenges on their own.

**Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others.** Ideals taught in school are not well rooted in the child unless they are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at St. Patrick Cathedral School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. **To divide authority between school and home or within the home will only teach disrespect of all authority.** If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Talking negatively about a child's teacher at home will only create an attitude of distrust toward the teacher, the school, and the parent. Should a student need to be disciplined, as a staff we rely on your support. The staff works together to ensure that any incident is investigated to its entirety.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. Parents are encouraged to let their child experience a logical consequence for an inappropriate action or behavior. Credit will not be given for work handed in over a period set by the teacher, without exception. This responsibility also extends to times of absence.

[Return to Table of Contents](#)

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

# TELECOMMUNICATIONS USE AGREEMENT

## *Telecommunications Use Agreement*

*Adapted from NCEA's From the Chalkboard to the Chatroom.*

As a computer user, I agree that my student will follow the rules and code of ethics in all of their work with computers while attending St. Patrick Cathedral School:

1. I recognize that all computer users have the same right to use the equipment; therefore, I will not use the computer resources for non-academic purposes. I will not waste or take supplies such as paper, printer cartridges, flash drives, and discs that are provided by the school. When I am using an electronic device, I will keep my work area clean and free of food and liquids.

2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, or games from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.

3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.

4. I will honor my school's procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer's hard drive.

5. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing resources must comply with the appropriate rules for that network or resource.

6. As a user of a network, I will not use bulletin boards nor chat lines for personal use. In addition, I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

7. Parents must realize that their students may encounter material on a network that they do not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.

8. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for

[Return to Table of Contents](#)

any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.
