

COMPLETELY

REINVENTED

Dear Parents and Parishioners;

On **October 7, 2017**, St. Christopher's Men's Club will produce and host the annual St. Christopher Fall Fest. For those of you who are not familiar with the event, it is a pay-one-price event that includes live music, food, beer, soft-drinks, and multiple activities for children of all ages. The entire event is contained to the school grounds and gym, and is a great, safe, family-friendly event.

After the 2016 Fall Fest, we conducted a survey in which 200 families participated. We took this information and have **completely reinvented Fall Fest for 2017**. We are very excited to unveil the significant changes we have planned for this year, and we know you will enjoy them all!

St. Christopher does not have a traditional parish fair. For over 20 years, the St. Christopher Men's Club has produced the Fall Fest with assistance from the school and many other parish organizations. By all accounts, the Fall Fest has always been a huge success. The Fall Fest is the biggest fundraiser of the year, both in scale of production and money raised. It is also the largest gathering of the parish, and school families, where everyone in our parish can renew acquaintances and share in the fellowship of our Christian and Catholic Community.

This year, the Fall Fest will be the great event we have always known it to be, **with live music, new food choices, drinks, and several brand-new activities to entertain the children**. This year, Fall Fest will be bigger and better than ever, with new attractions for the children and a large T.V. for all fans to watch the L.S.U. and/or other college football games.

The success of Fall Fest depends upon the cooperation of all parents and parishioners, and the SCMC respectfully requests your help. There are several opportunities for all parents and parishioners to volunteer and participate in the production of this year's Fall Fest. The Men's Club could use your help. To volunteer, contact the Men's Club at [mensclubscs@gmail.com](mailto:mensclubscs@gmail.com) or visit [www.stchristophermensclub.org/volunteer](http://www.stchristophermensclub.org/volunteer).

Because this is a family event, we hope to see all families there. For the safety of all children, no tickets will be sold to children without the purchase of an adult ticket. In addition, no child can be admitted without being accompanied by an adult. Also, for the safety of all attendees, no footballs, frisbees, etc. will be allowed at Fall Fest. Any balls or other items being thrown by children will be confiscated.

Please come and participate for the betterment of your parish and school. Help us continue to *Serve God and the Community*.

God Bless,  
St. Christopher Men's Club
