Picture Day

TSS Photography will be taking school pictures for all of our students next Friday, September 13th. The photos will be available as part of their First View program and a proof link will be emailed directly from TSS to the primary contact's email address for online viewing and potential ordering.

All students wear their regular school uniform - **not** PE clothes - for pictures on Friday the 13th.

Arctic Adventure Book Fair

Our **Scholastic Arctic Adventure Book Fair** will soon be here! It will open Friday, September 20th, and it will be open for a week. There will be many books to choose from for every kind of kid: adventure, sci-fi, best-selling, and even "laugh-out-loud" stories. We can't wait to see you there! For more information, visit the SCS book fair homepage: www.scholastic.com/bf/stcoleman

Parent volunteers are needed to help set-up the book fair, assist students, help with sales, and pack-up the book fair. Volunteers need to be fingerprinted and have Virtus training. Please contact the book fair chairs, Mrs. Khanh Nguyen at khanher@gmail.com or Mrs. Nancy Godden, librarian, at ngodden@stcoleman.org, if you are interested in volunteering.

Emergency Cards, Dismissal Forms, etc.

Please return **all** of your child(ren)'s completed school forms to their homeroom teachers by Monday, if you have not already done so. These forms, especially emergency cards and dismissal forms, are not only important to keep school records up-to-date but to help us ensure your child(ren)'s safety. Thank you for your cooperation.

Skooter/Skirt Length

Girls' skooters/skirts are to be no shorter than three inches (3") above the knee. A simple, visual way to measure this is to take a 3"x5" index card and hold it horizontally at the bottom of the skooter/skirt, worn by the girl while standing up straight. If the bottom edge of the card does not reach the middle of the knee cap, the skooter/skirt is too short. If the hem cannot be let down, a larger size is needed.
