

Dear Parent/Guardian,

Summer is a great time for your child to practice what he/she has learned throughout the school year. This summer your child will use Lexia Reading Core5 to enhance foundational phonological skills.

Over the summer, you can support progress in the program by reading daily with your child and talking about what you have read. The *students entering 1st and 2nd grade* will complete Lexia for a total of **30 minutes per week for 4 weeks beginning June 11 through July 31st**. Progress and performance is saved and available for teacher review. At the beginning of the new school year all students will be reassessed. This is to determine their Lexia placement for the upcoming school year.

We hope you share in our excitement about using this program with your child this summer!
Teacher email for the summer ebengochea@stamiami.org

1. To use on a computer, go to www.lexiacore5.com.
2. To use on an iPad, iPad mini, or Android* tablet, download the free **Lexia Reading Core5 app** from the App Store or the Google Play store. **Android support is limited to these devices: Samsung Galaxy Tab S2, Google Pixel C, and Google Nexus 7" (2012 and 2013) and 10". The app will not work on other devices, including Kindle.*
3. The first time your child uses Core5, you may need to enter the teacher email shown above. Your child can then log in with the username and password used at school and below.
4. It is important that your child works without any help while using Core5. All of the work your child does at home is recorded and reported to school. This way, teachers can see when help is needed and provide additional instruction at school.
