## FIELD DAY IS HERE!

Our Field Day is today! **If for some reason you have not yet sent in your child's fee, please do so today.** The Parent Organization provides this fun day for our students and are needing help to cover expenses, including the cost of lunch. We ask that each family send in **\$5 for each elementary child and \$10 for each secondary student.**

## SNACK SHACK

The Snack Shack has very few remaining menu items to sell as supplies have been depleted. Please provide your child with a sack lunch for the remainder of the year to be sure they have a lunch.

## KINDERGARTEN GRADUATION

Our Kindergarten Graduation is Friday, May 12 at 7:00 pm in the gymnasium. The K-4 class will also be presenting a brief program during the evening. This is the last day of classes for K-4 and K-5.

## SILVER MEDALLION AWARDS

Congratulations to two of our top senior students for recently being chosen for the Silver Medallion Award. Caleb Gleason and Michael Vaughn were honored at a banquet at Lewis and Clark College, along with other top high school seniors from our area.

## LIBRARY BOOKS

Please check your child's belongings and make sure they do not have any library books or books from their classroom that need to be returned.

## WORK DAY

Our Work Day here at the school is this Saturday, May 6 from 8:30 am to 11:30 am, with a pizza lunch being served. We are especially in need of someone with electrical skills (to replace ballasts) and also someone with a talent for carpentry. Please bring along yard equipment, cleaning supplies, etc., and help us spruce up the school before graduation.

## "SENIOR SLAVE DAY" FUND RAISER

The auction is tomorrow (Tuesday, May 2) for Slave Day on Thursday, May 4. All the students will have an opportunity to purchase a slave (one of the senior students) for the day to carry their books, sharpen their pencils, etc. Students may want money for this Tuesday to bid for their slave.

## REMINDERS

**School physicals:** Children entering K-5, 6th and 9th grades are required to get a physical before entering school next year. Now would be a good time to make an appointment!

**Sports physicals:** Don't forget to have a sports physical done before the start of the first practice in August. This is required by the State of Illinois each year.

**Financial Obligations:** Remember to wrap up any financial obligations at the school such as tuition, aftercare or unreturned library books.
