KINDERGARTEN GRADUATION

Our Kindergarten Graduation is this Friday, May 12 at 7:00 pm in the gymnasium. The K-4 class will also be presenting a brief program during the evening. This is the last day of classes for K-4 and K-5.

SNACK SHACK

The Snack Shack has very few remaining menu items to sell as supplies have diminished. We will update the students on a day-to-day basis with items no longer available. Parents may possibly need to provide their child with a sack lunch.

FINANCIAL OBLIGATIONS

As we are nearing the end of our school year, please keep in mind that **all financial obligations** (tuition, before/after fees, etc.) must be paid before any report cards and/or records are released. Please call the office (618-462-1071) if you have any questions.

3RD-6TH FIELD TRIP

Next Monday, May 15, the 3rd - 6th grades will be touring the Melvin Price Locks and Dam. A picnic lunch is planned, weather permitting. Please be sure to provide your child with a sack lunch for that day.

LIBRARY BOOKS

Please check your child's belongings and make sure they do not have any library books or books from their classroom that need to be returned.

THANK YOU!

Thanks to everyone who came out this past Saturday for our work day at the school. A lot was accomplished and we appreciate everyone who contributed.

REMINDERS

School physicals: Children entering K-5, 6th and 9th grades are required to get a physical before entering school next year. Now would be a good time to make an appointment!

Sports physicals: Don't forget to have a sports physical done before the start of the first practice in August. This is required by the State of Illinois each year.

Financial Obligations: Remember to wrap up any financial obligations at the school such as tuition, aftercare or unreturned library books.

THANK YOU PARENT ORGANIZATION

We would like to express our appreciation to Angela Martin for heading up all the elementary activities for Field Day. Also, thanks to the parents, grandparents and friends who came out to help, including Sarah Fessler for providing the food, Steve Rickert for cooking, Mrs. Kallal for doing the face painting, and teachers who braved the shaving cream! In the secondary: our special thanks to Kathy Gleason for planning all the activities at Lake Williamson and the teachers and parents who assisted her.

OFFERING AT SPRING PROGRAM

Our thanks to everyone for the special offering for the school given at the Spring Program. The total was \$1,255.
